SPECIFIC LEARNING OBJECTIVES

At the end of the seminar, participants will be able to:

Understand basic knowledge of domestic violence including, a history and overview, the nature of violence, definitions of abuse, the types of abuse, the causes leading to domestic violence, and the impact of domestic violence.

Understand important knowledge regarding victims of domestic violence, including the impact on the brain, body, and relationships, the pattern of victims, and reasons for staying in violent relationships, victim safety, shelters and community resources, and the role of a community coordinated response to domestic violence.

Understand and apply knowledge of laws and legal proceedings for domestic violence offenders, including restraining orders, court policies, law enforcement response procedures, case-flow, risk assessment, probation department policies and regulation, the San Diego DV Treatment Standards and the actual laws affecting domestic violent offenders.

Understand and practice evidence-based treatment protocols for domestic violence offender groups, including recovery-oriented approaches, trauma-informed care, Cognitive Behavior Therapy, Motivational Interviewing, Acceptance Commitment Therapy, Solution-Focused Brief Therapy, and strategies for using effective group dynamics.

Apply understanding of substance abuse patterns and treatment to domestic violence, including the nature of substance abuse, patterns of the various substances, effects of substance abuse, treatment options for addictions, biology of addiction, and implementing a Level II program for DV offenders with a substance abuse disorder.

Understand and apply information on the cultural implications of domestic violence including the patterns, statistics, barriers and bridges to treatment for many cultures, including African American, Asian, Middle Eastern, African, Indian, Hispanic, and the LGBTQ community.

Understand the group content of domestic violent offender groups, including the distinction between male and female offenders, the process of running DVRP groups, self-care practices for counselors, gender roles and socialization in society, privilege, patriarchal societies, revictimization vs. resilience and the pattern of multigenerational abuse.

Understand and practice intake and assessment practices for DV offender groups, including reviewing paperwork requirements, understanding intake procedures required by law and best practices, and assessment tools commonly used.

Procedure for Filing a Grievance

It is the intention of Rhombus to maintain a professional, educational and amicable relationship with those whom we serve. In the event that we slip from these standards, we wish to take corrective action promptly. To that end, should you have a concern, please inform us in writing (details at www.gorhombus.com). We will respond as quickly as possible as appropriate to the situation.

To Request Accommodation for Disability

Please call 858-848-1766 or email gorhombus@gmail.com to request accommodations you may need for this training. Every effort will be made, within what is reasonable, to accommodate various disabilities or unique situations that call for adjustment. If we are unable to accommodate a particular need, Rhombus will look for alternative trainings and refer the customer to other options.

Cancellation Refund Policy

As a general policy, there are no refunds allowed for registrants' canceling. Registrants may email request for consideration for cancellation in the event of unusual circumstances, however there is no guarantee of refund (at least a minimum cancellation fee would be applied). If an event is cancelled by Rhombus, a full refund will be issued within 7 days of cancellation.

Rhombus is approved by the California Association of Marriage and Family Therapists to sponsor continuing education for LMFTs, LCSWs, LPCCs, and/or LEPs. Rhombus maintains responsibility for this course and its content. This course meets the qualifications for 40 hours of continuing education credit for LMFTs, LCSWs, LPCCs and/or LEPs as required by the California Board of Behavioral Sciences.
